CF-2115B 恤衫筒壓平機 Collar and Sleeve Ironing Machinery

特點 FEATURES

本機是具有壓力無極可調的重加壓機械,加壓均匀,同時可自由設定加壓時間,可調節上模的温度和壓 燙時間,以適各種不同面料整燙要求。

The machine is a heave pressure on non-polar adjustable compression bodies. Uniform pressure at the same time be free to set the pressure of time can be Adjust the temperature and the mould pressing time to a variety of non-relevance Request with the ironing fabrics.

CF-2115B 工作中 In working

型號	電壓電源	空氣壓力	壓縮空氣耗量	電熱容量	常温	總壓力	最高温度	壓力單位
Model	Voltage	Air pressure	Air consumpion	Heater	Temperature	Total pressure	Max. tempe	Unit pressure
