

**CF-756** 步進式冷熱液壓粘合機  
Stepping cool-heat Hydraulic Fusing Machine

CF-756 剖視圖 Cutaway view

| 型號     | 電源電壓            | 總功率         | 電機功率        | 工作面高度                  | 工作寬度與長度                  | 溫度控制範圍                    | 最大工作壓力                | 淨重     | 尺碼            |
|--------|-----------------|-------------|-------------|------------------------|--------------------------|---------------------------|-----------------------|--------|---------------|
| Model  | Voltage         | Total power | Motor power | Height of working face | Working width and length | Temperature control range | Max. working pressure | Weight | Dimensions    |
| CF-756 | AC380V±10%/50Hz | 12.5Kw      | 2.2Kw       | 880mm                  | 700×560(mm)              | 0-200 °C                  | 1Mpa                  | 1450Kg | 310x133x161cm |
